The Roots of Empire Lie in TRADE and Trade is Built on CONFIDENCE

First came the trader and the missionary priest; then, inevitably, the trader. And the forest fell away as the rude frontier stores came. And all were these merchants to the wilderness. But some traded on guile and deception. And in the cars of such of these the war whoops sounded and then the smothering forest closed in again on an ash heap where a store had been. Yet, here and there, a man traded on confidence. And when, years later, the wagon trains rolled in the settlers found in his store—amid the tinware, lamps and calico—a bit of the home they had left behind them.

The barter of a blanket or the purchase of a new mink coat... trade must always rest on confidence; the implicit confidence of the customer in the store he buys from.

Confidence has nothing to do with age or size. A small storekeeper may have it and his buyers will swear by all he sells. A great merchant may lose it—and be great no longer. The confidence that counts is the confidence in co-operation.

The Murray Chamber of Commerce wants your confidence. They believe they have it. They want your co-operation. They know that they can depend upon you for it. It is through these channels that they may build a great Murray. They know, too, that confidence once lost is not easily won back. That is why your Chamber of Commerce is so careful not to abuse it.

America's Night of Light

Twenty-six years ago, as the tramp of mobilizing troops rang on the cobbles below, Sir Edward Grey turned from his window in the British Foreign Office and bowed his head. "The lamps are going out all over Europe, we shall not see them lit again in our lifetime" he said. Little did he know that his figure of speech would become frighteningly real; that across whole continents men would grope and grovel in blackness; that the powers of darkness would drive mankind so far back toward the cave they would shrink from the light.

Even here in America, we watch the darkness deepen, until it touches the edges of all our lives. This Christmas Eve, in thousands of our young men far from home. No one of us will not be sobered by thoughts of those we know in camp, or on the sea. Christmas will not be the same this year, without them.

So this year more than ever before, we Americans should reaffirm our faith in the decency and dignity of man. Everywhere else, the light of liberty has been quenched or dimmed by the darkness of dictatorship. Here is the only window of the world: let us keep this window bright!

Last year, an organization suggested that we light every lamp in America on Christmas Eve as America's answer to the blackout then just beginning abroad. Not in a spirit of boastfulness, but in humble thanksgiving for our freedom—and as a symbol of our determination to keep it. Needless to say, America responded.

This Christmas, we Americans face a world even darker than last year. A chaos which challenges our every belief and hope.

Will you—whether you can light a single lamp or candle or throw the master switch of a whole institution or factory—will you turn on the lights this Christmas Eve?

Will you—if you believe in what they stand for—keep them lit from dusk to midnight? So that others may see what we mean by the American way of life? So that others may re-examine our beliefs? Rededicate ourselves to the tradition which made us—and the tasks which confront us?

Ours is the last window of the world, will YOU light your corner of it this Christmas Eve?

Woman's Club was entertained Saturday afternoon at the club house by Mrs. G. B. Scott, Mrs. Price Doyle, Mrs. W. S. Swann and Mrs. C. S. Lowry.

The decorations were in the Christmas spirit with two large, brightly lighted trees flanking the mantle, banked with Christmas greens, poinsettias and red tapers.

Following a short business session presided over by the chair-

man, Mrs. E. J. Beale, an interesting paper on Art, dealing with modern artists and the place of art in the average person's life was read by Mrs. Mary Ed McCoy Hall.

A party plate was served at the conclusion of the program to members and one guest, Mrs. John Lovett of Benton.

Woman's Club Plans Party For December 27

The Woman's Club met in regular business session Thursday afternoon at the club house with Mrs. Hall Hood presiding.

A report from the house and finance committee was given by Mrs. W. J. Caplinger. Mrs. Caplinger also spoke of the progress of the sale of Christmas seals in the drive against tuberculosis which each year is sponsored by the Woman's Club, and of which Mrs. Caplinger is the committee chairman.

Mrs. G. B. Scott made a final appeal for support in the Red Cross roll call and for workers in filling the county's quota of bandages and clothing as requested by National Red Cross headquarters. She also brought a plea for old toys to be worked over by the city firemen for underprivileged children.

The minutes of the last board meeting were read with suggestions for raising money to apply to the club house debt. The club voted to accept the proposals of the board.

Mrs. Hood read a message on "Peace" by Mrs. Wayland Roads, state president, and Mrs. J. W. Carr read an editorial of timely interest by Dorothy Thompson. Mrs. H. I. Sled read a Christmas message from the national federation treasurer, and Mrs. N. P. Hutson read a Christmas editorial from "The House Beautiful." Mrs. L. J. Horton led in the singing of "Jingle Bells" with the entire group joining in the chorus.

The evening of December 27 was chosen on which to have a gay holiday party at the club house including all members of the club and their families. Each member is requested to bring a basket supper, and entertainment will be planned for the evening. The party will begin at 6:30 o'clock and it is hoped that there will be a large attendance.

Following announcements the meeting adjourned for a social hour when refreshments were served by the Alpha Department.

Family Night Observed By Garden Club

The observation of "Family Night" by the Garden Club was an interesting event at the club house on Friday evening, December 13. Hostesses for the occasion were Mesdames Fred Gingles, Carman Graham, Fred Shultz, Wells Overby, John Ryan, V. E. Windsor, George Hart, W. B. Davis, Joseph W. Jones at the piano, Marvin Wrentham and C. B. Ford.

Gay Yuletide decorations centering around the open fire place lent the occasion a festive note.

Mrs. F. E. Crawford was program leader. Mrs. E. B. Houston read a scripture lesson appropriate to the season, and led in prayer, following which Mrs. Crawford told of different Christmas customs which have been practiced through the years.

A lovely tableau was formed on the rug in front of the open fire as Joanne Shroat read a Christmas story to Gloria Ethridge. Betty Sue Hutson, Joe Ethridge and Billy Lovins dressed in pajamas, the wee heads nodding and falling asleep as the story ended.

A Christmas reading was given by Betty Sue Hutson, and Lottie Fay Hart entertained with a song and tap dance number with Mrs. T. R. Jones at the piano.

Gay Yuletide decorations centering around the open fire place lent the occasion a festive note.

Following the program Santa Claus appeared and from the beautifully decorated Christmas tree presented stockings filled with goodies to everyone and gifts to the children.

Romance in Old California styled by Tyrone Power and Linda Darnell: Greater than his triumphs in "Jesse James" and "In Old Chicago" is Tyrone's portrayal of the famous masked adventurer in "The Mark of Zorro," 20th Century-Fox film showing today and Friday at the Varsity Theatre. Linda is the beautiful senorita who gives the bandit her love. With Basil Rathbone she heads a superb supporting cast which also features Gale Sondergaard, Eugene Pallette and many others.

There were about ninety present.

Service Circle Meets With Mrs. Frazee

The Service Circle of the First Christian Church held a luncheon meeting Tuesday at the home of Mrs. K. C. Frazee. The spacious rooms were decorated with holly, evergreens and mistletoe, and the brightly lighted tree added a colorful note.

Following the delicious "covered dish" luncheon, Mrs. A. V. Havens conducted devotional exercises. Routine business of bringing the year's work to a close was conducted, and the following officers were elected: president, Mrs. Leon Roberts; secretary and treasurer, Mrs. W. J. Gibson.

Gifts were distributed from the Christmas tree to the more than thirty present.

Cast Is Selected For 'Night of January 16'

With the announcement of the players who will take the various parts, construction of the setting began, and rehearsals taking place each evening, the production of "Night of January 16" scheduled for January 16 is now well under way, according to Miss Helen Thornton, head of the dramatic department of Murray State College. John Raber of Henderson, Ky., is the student director.

Strictly speaking, this is a play without a heroine. Nor is there a hero. The two leading parts—that of Karen Andre, defendant in the murder trial, and that of District Attorney Flint—will be taken by Pat Billington, Bruceton, Tenn., and Joe Fitch, Springfield, Tenn.

Others in the cast include: Bailiff, Bob Evans, Benton, Ill.; Judge Heath, Bill Wetherington, Metropolis, Ill.; Secretary to District Attorney, Nancy Whitnell, Murray; Defense Attorney Stevens, Bogard.

Many well known people have served on the jury during professional performances of the play. Among them are Jack Dempsey, James Roosevelt, Ricardo Cortez, Babe Ruth, and Helen Keller. On one occasion four United States Con-

Friday Night

Almo at Brewers

An unusually light but very attractive card is the fare for basketball games of this county this week-end, with the spotlight on the college floor, where the Racers will play the University of Arkansas, an elite team of West Kentucky high school basketball. Hardin High and Sedalia will meet tonight.

Friday night brings Kirksey to New Concord in a game that will have vital significance on the county title and perhaps, give the Redbirds a strong claim to first place. Hazel will attempt to show that a previous 47-21 licking handed them earlier in the season by Hardin was no fluke. Almo will encounter plenty of trouble in invading Marshall County to take grips with the Brewers. All the rest of the teams are the marking time until after the holidays.

The past week-end marked the bowing in of three county teams to the new season—the two college quints at Murray High, all with successful wins. The Tigers will sharpen their claws on a one-strenger-but-now - weak Kuttawa team today at 3:50.

New Concord 54; Tolu 26

New Concord's Redbirds kept pace with the leaders this week, by overpowering an undermanned Tolu team 54-26, in Concord, Friday night.

Coach Vernon James' boys, on a scoring spree, led 12-3, at the quarter, 27-5 at the half, 42-19 at the third period.

Ed Hendon, Oliver, and Tommy Hamlin handled the Birds' scor-

Murray 41; Southeast Missouri 28  
Playing consistent ball throughout, and staying on top from the start, Murray State's Thoroughbreds opened their season with an impressive 41-28 win over Southeast Missouri State, here Saturday night.

The Racers presented their most

evenly balanced ball club in years, with the entire squad impressing observers with their coolness and finesse under fire. McKee, with nine points, led the scoring, besides playing a bang-up defensive game.

Top-notch playing by Salmons, Grimmer, and Kirkpatrick also aided the Blueblood cause. Belk, with 11 markers, led Cape.

Murray High 31; Fulton 18

Grabbing an early lead on two fast breaks that fairly glistened, Murray High's Tigers luffed through the last half to win 31-18 over Fulton here last Thursday night.

Except for Joe Pat Ward, shifty little hard-driving forward, the ball club didn't turn on. Ward's driving kept them well ahead though. The Bengals led 12-4 at the quarter; 15-9 at the half; 20-10 at the third quarter.

New Concord 40; Cuba 28

Coach Vernon James' Concord Birds put on a brilliant last-half rally Friday night on their home floor to dispose of the Cuba five by a 40-28 score.

The sharp-shooting of H. Hendon and Oliver for the Birds and Clayton for the visitors furnished the thrills for the game. They scored 17, 15, and 14 points respectively.

With both teams playing cautious ball, the first quarter ended 12-5, New Concord.

The visitors outscored the Jamesmen 9-7 in the second quarter, however the half ended 19-14, New Concord.

The third quarter was evenly matched with each quint, tallying 10 markers. The final quarter spelled defeat for the Cubans as the Calloways banged at the net for 11 markers while the visitors could account for only 4.

MSC-Fresh 63; Sue Bennett 37

The Fresh 13th jinx apparently had no ill effects on Coach John Miller and his 13 Murray freshmen squad members as they hung up an impressive 63-37 victory over Sue Bennett College of London, Ky., here last night.

The Millermen took an early lead and, never relinquished it. The Green Dragons rallied during the waning moments of the game and went off to a scoring spree against the Yearlings. Joe Fuiks, Kuttawa, was sinking them from all angles as he tallied 24 points.

Fuiks, incidentally fouled out midway of the second half. At times the passing of the little Birds was faulty and they shot wildly. In addition to Fuiks, Hurley, Metcalf, and Johnson, played outstanding ball.

Baldwin, Sue Bennett center, was easily the best man on the court for the Dragons.

Athletics.

The Hazel Lions played Kirksey High Friday night and were defeated by a score of 34-32. Both teams played good basketball but it looked like our team just would have done credit to a more experienced group.

On Saturday night we played a good, undefeated basketball team from the city and defeated them 23-25. Our boys beat Cross-roads by a large score but because they were a weak team but we were very good.

Every boy played a good game and we hope they will continue to when we play Hardin at Hazel Friday night. Everyone came out to see this game.

On Wednesday evening, December 11, the Hazel 4-H Club of Hazel entertained with a banquet in honor of their mothers. This affair was directed by Miss Ethel Mae Paschall and was one of the most beautiful social events

of the year. The banquet hall was artistically decorated in the holiday spirit. The table centerpieces were lighted candles and evergreens. A delicious menu was served members and their mothers and also a number of invited guests.

The guests were entertained with a splendid program as follows: prayer, Mrs. Moore; welcome address, Alice Outland; response to welcome address, Mrs. Curd; reading, Charlotte Clayton; music by Annie King; reading, Dot Linnville; trio, Ruth Underwood; Dot Linnville, and Ann Walker; reading, Mary Alice Myers; reading, Dorothy Wilson; and a song by all.

## East Almo News

I know I am not an expert reporter but I can spell a little, and if the Editor is willing I will fill a little space in the Ledger & Times with some news from this community this week. I had just about decided to let the other correspondents have the space whose news might be more interesting but some people say they like to read my news and have asked me to write more often.

I enjoyed reading "Some Early History" by John Wright Holsapple in last week's issue of the paper. Mr. Holsapple, we are looking for your letter which will tell us more about the old Holsapple home.

Since my last letter there have been a few deaths and accidents. Mrs. Martha Ann Childress died at her home several weeks ago. Funeral services were held at the church cemetery. Her husband preceded her to the grave by some few years. Survivors are her two daughters, Mrs. Louie Western and Mrs. Dink Childress, and a few other close relatives. Last Friday week, Walter Fengel died at his home near Vandevan.

Funeral services were held at the church cemetery Saturday with burial following in the church cemetery. On the eleventh of this month the sad news came to us of the death of Mrs. Mandy Morris. Funeral services were held at the church cemetery and burial followed at the cemetery.

from Thursday to Sunday. She also was the guest of her daughter, Mrs. Polie Duncan, and Mr. Duncan at near Almo. She visited here while Mr. Elkins transacted business in Camden, Tenn.

We were sorry to hear of the death of Billie Peeler, son of Mr. and Mrs. Jessie Peeler who lived in Arkansas. He was formerly of Calloway county. Our sympathy is extended to the family.

"Old Glory," I miss your news. I think of you and wonder how you are getting along. I would like to hear from you.

"Eagle," we will miss our paper next week, but I guess there will be enough news in this week's issue to read next week.

Best wishes to the Ledger & Times staff, the correspondents, and the many readers every where for a very Merry Christmas and a Happy New Year.

### Christmas

It's a gay old world when you're gay,  
And a glad old world when you're glad;  
But whether you play  
Or go toiling away,  
It's a sad old world when you're sad.

It's a grand old world if you're great,  
And a mean old world if you're small;  
It's a world full of hate for the foolish who rage  
Of the uselessness of it all.

It's a beautiful world to see  
Or it's dismal in every way;  
The thing it must be  
In its gloom or its glee  
Depends on yourself alone.

The above poem should bring to our minds that Christmas is what each of us makes of it. Here is hoping that to every one of our readers it may bring "peace and good will."

At the morning worship hour, 10:30 o'clock, the pastor will preach on "The Universal Christ," from the text: "Which shall be to all people." Luke 2:10.

At the evening worship hour, 7:15 o'clock, the pastor will preach on "Your gifts to the Master," from the text: "and when they had opened their treasures, they presented to him gifts, gold and frankincense and myrrh." Matt. 2:11.

Be sure that your gifts are in the name and to the glory of HIM for whom we celebrate the Christmas time.

The choir will have special Christmas music.

The Sunday-school at 9:30 has a place for you and for every member of your household. Stand by it as a citizen as well as a churchman. Our children and young

people will gladly welcome your sons and daughters to their splendid programs each Sunday evening at 6:30. If you have "company" this Christmas you could do no better thing for them than to bring them to church.

J. Mack Jenkins, Pastor

### FIRST BAPTIST CHURCH

The pastor will preach at the morning hour, 10:30 a. m., on "WHERE SHALL THE RESPONSIBILITY BE PLACED?" Rev. T. G. Shelton will preach at the evening hour, 7:30 p. m.

Church School meets every Lord's Day at 9:30, under the direction and care of faithful, experienced Bible-teaching officers and teachers. Classes for all ages meet for the study of the Bible lesson in rooms separated from other rooms, thereby removing all noise so disturbing to both teacher and class.

Training Union meets every Lord's Day evening at 6:15 with a very fine Bible program of study, prepared especially for the training of church members for better service and serving whether at home or elsewhere. Faith, experienced officers and helpers are in attendance. There are Unions for all ages beginning with the Story Telling Hour.

Mid-week meeting every Wednesday evening at 7 o'clock where soulful gospel songs are used and praise, prayer and testimony are heard and a Bible lesson given.

The church and pastor cordially invite every one to worship here whenever possible where friends will greet you and give a hearty welcome to all the services including helpful fellowship.

We wish for every one within our gates a very happy Christmas and a successful New Year.

Sam P. Martin, Pastor

### FIRST CHRISTIAN CHURCH

The Young People's Society of Christian Endeavor, of which Miss Emma Sue Gibson is president, will meet in the young people's parlor, immediately following the Christmas Tree program.

The Sunday School, led by Supt. R. L. Wade, will begin Sunday morning at 9:30.

Kidneys Must Clean Out Acids

Excess acids, poisons and wastes in your blood are removed chiefly by your kidneys. Getting up acids, burning passions, indigestion, swollen ankles, nervousness, headache, pain, dizziness, tired eyes, and feeling worn out, often are caused by over-acid and congested kidneys and bladder troubles. Usually in such cases, the very first dose of Oxytel goes right to work, helping the kidneys flush out excess acids and wastes. And this cleansing, purifying kidney action, in just a day or so, not only makes you feel better, but also makes you feel better than in years. A printed guarantee stamped across each package of Oxytel assures an immediate refund of the full cost unless you are completely satisfied. Everything to gain and nothing to lose under this positive money-back guarantee. Get Oxytel from your druggist today for only 25c.

"Hello, good friends, wherever you may be, And be it east or west, Upon the plain, beside the sea, Whatever place you love the best, Across the silence let us call To each of you and wish you all A Merry Christmas!"

Bro. Robert Hart and Johnnie Simmons were in Murray Wednesday.

Bro. L. Ford and "Maude Dave" Hulse were in Murray Wednesday morning.

Kentucky stars were at the "odd-vill" star... Miss Mary... and Miss Mary... were at Toddville Tuesday afternoon.

Miss Parnie Mae Simmons of Murray High school has been absent from school because of illness and trouble with her eyes.

She is now under the treatment of Dr. E. D. Fisher and Dr. O. C. Wells of Murray. We wish for Parnie Mae a speedy recovery that she may soon return to school.

Mr. and Mrs. Rudy Hendon, Mrs. Ocus Albritten and daughter, Bob Albritten, and Johnnie Simmons and family were in Murray Saturday.

Mrs. Johnnie Simmons is spending a few days in Murray with her daughter, Pernie Mae, who has the flu.

Mr. and Mrs. Guthrie Osborn and son were dinner guests of Mrs. Osborn's parents, Mr. and Mrs. Elmus Mitchell and children.

Miss Mildred Barnett was in Murray Saturday.

I must go now but hope to be back with you again next week.

**IN GRATITUDE**

I sincerely thank my good neighbors and friends who had an interest in making the beautiful applique friendship quilt for my mother. I wish you could have seen her as I spread it on the bed and said, "It's yours." I believe that you would have been glad and that you will be blessed in making her happy. May God bless each one of you in my prayer. Again I thank you.

L. H. Pogue will preach at Friendship Sunday, 10:45 a. m. and at Cedarwater at 2 p. m. Garvin Curd will preach at Alto Sunday, December 23, at 10:45 a. m. Time expires at the end of each year for Church of Christ ministers, unless they have been recalled for another year by the church.

I hope the contagious "flu" will not get here. I note that the epidemic at Wickliffe has caused the county board of health in Ballard County has ordered all schools, churches and theatres closed.

That happened in Murray 40 years ago, which resulted in an epidemic.

Mrs. Luther Pogue, of Penny, has recovered from a severe case of pneumonia. The new science remedy, which is almost a miracle, was prescribed by Dr. Jones. The new medicine is pronounced "sulfa-pryadine."

Since I am old, I have no time to read books except the Bible, I prefer newspapers and current literature.

Listen, girls and young ladies, I wish I insist that your New Year Resolution be long dresses. Short skirts don't please us. Absolutely! I might be afflicted with neuritis or laryngitis, perhaps!

Some public gatherings are being opened with prayer, even to political. Pope opened up for peace on his own terms. Would have had better luck with a cork screw.

I wonder what on earth Carl Hendrick of Murray, and Ollie Mayer of Hazel are going to drive at during Christmas week? Just 4 more days and 13 hours shopping days left. Then what?

Friday, December 13, 1940, was a dark day, the sky and sun were obscured by dense black clouds. I did not know what in the world was going to transpire? I was as uneasy as a cripple mouse in a cat's paw. Nevertheless, I got by with not even a scratch. Say, do you know what a ghost is? Back number only!

Now good luck to all ugly mugs. So I hang up—"Ole Eagle".

**HOMEMAKERS MEET**

The Taylor's Store Homemakers December 10, at 10:00 o'clock. This occasion was enjoyed very much with a nice lunch at the noon hour. Christmas gifts were exchanged by members and also the visitors.

Sixteen members and the following visitors were present: Mrs. Charlie Grooms, Mrs. Truman Young and baby, Joe Fredrick, Mrs. Dallas Lassiter and son, Wallace, Mrs. Cheslie Paschall, Mrs. Vester Paschall, Mrs. Hester H. clothing leaders' school at Mayfield in February.

Lewis Cosby was in Hazel Saturday.

Dencil Paschall finished stripping his tobacco crop last week.

Sorry to hear of so many being ill with pneumonia and flu. Rev. Cloys Lawrence's little daughter, Miss Winnie Lou Jones and several others in this community have been very ill. Here's hoping them a most speedy recovery and that they may be able to enjoy the holidays.

Doyle Morris was the week-end guest of his grandparents, Mr. and Mrs. Byars.

Mr. and Mrs. O. T. Paschall attended Sunday school at Oak Grove Sunday regardless of the rainy weather.

Would like to say hello to the Rev. and Mrs. J. E. Thuman, of Murray, and here's the very best wishes for the holidays and the New Year.

There was quite a lot of tobacco stripped here last week. Mr. and Mrs. J. C. Paschall finished stripping all but 180 sticks.

Mr. and Mrs. Orie Key and son, Lowell, were in Murray Saturday.

We're glad to have Mr. and Mrs. Dwight Jones move to our neighborhood. They are at the Bert Wilson farm on the Concord road.

Bowden Swann was a business visitor at the Paschall mill Saturday.

Out Paschall is reported as improving from a recent severe cold. Odie Morris is improving from an attack of flu.

The Reverend Mr. Boaz of North Fork Church was a dinner guest of Mr. and Mrs. Hollin Jones and daughter, Sunday.

Mr. and Mrs. Hollin Jones and daughters, Annie and Bobbie, and Mr. and Mrs. Othel Paschall and son attended church services at North Fork Sunday.

Mr. and Mrs. Currie Holley and son, Frank, visited relatives in Tennessee Sunday.

Mr. and Mrs. George Pitman and little daughter, Georgia Ann, and Mr. and Mrs. Elsie Orr visited relatives in Jones Mill Sunday.

The Bible Training School for Teachers came to a close at North Fork church Friday morning. This school was taught by the Rev. Boaz who was pastor at this place. Mr. and Mrs. Hollin Jones were in regular attendance at this school.

Joe Thomas Foster is very wise. He says he's learning to write with his left hand for fear of an accident to his right hand. Wise idea for Joe.

Here's wishing each reader of the Ledger & Times together with the holiday and a new year of prosperity.—Golden Lock

**Card of Thanks**

We want to express our sincere thanks and appreciation to our many friends and neighbors who lent a helping hand during the sickness and death of our dear husband and father. Also we want to thank our many friends for the beautiful flowers and the comforting words said to us. We thank Bro. Thurman for his message he delivered. We thank Mr. Gilbert for his kindness shown us and also we thank Dr. Rob Mason for his untiring assistance. But it was God's will to take him. Some day we will understand it better by and by.

## Kirksey High School News

This week finds both pupils and instructors very busy with semester exams and the many other events that the Yule season brings.

On Thursday night, December 19, the Mothers Club is giving a Christmas tree and party at the school. The husbands are to be guests of honor on this occasion. An enjoyable night is being planned by the different committees.

The junior class will close the first semester of school with a play, "Here Comes Charley," Saturday night, December 21. They are working hard to make this one of the best plays of the year. The play will start promptly at 7:15.

Come out and enjoy Wade Copeland's ability to handle the women and Ray Rose play the role of "Toby". It will be worth the price of admission to see Jack Norworthy make love to Mary Elizabeth Jones as a typical aunt who wants to run everybody's business.

Bro. Haring of the Murray Presbyterian church will be the speaker on the Christmas program, on Sunday afternoon at 4 o'clock. Our chorus, under the supervision of Miss Roberts has some lovely Christmas music to render at that time. Come and get the spirit of Christmas cheer.

Two of the best basketball games of the season were played on our floor over the week-end. Friday night the Eagles defeated the Hazel quintet by a score of 32-30.

On Saturday night the Reidland Greyhounds topped the Eagles by a score of 31-30. Excitement ran high throughout the games. The pep squad put up a good fight on the side line.

The senior class has had a contest in selling magazines. The upper six grades took part. The classes were divided into two sides, the green and the gold. Ann Barber was general manager. Climie Youngblood and Vernon Riley were leaders on the gold side. Fred Branch and LeVerne Edwards were leaders on the green side.

The purpose of the contest was to raise money to help finance the annual.

The seniors plan to start working on the annuals the first of the new year. The leaders have not yet been appointed.

The senior class wishes you a "Merry Christmas and a Happy New Year."

**AN URGENT MESSAGE to women who suffer FEMALE WEAKNESS**

Few women today are free from some sign of functional trouble. Maybe you've noticed YOURSELF getting restless, moody, nervous, depressed lately—your work too much for you.

Then why not take Lydia E. Pinkham's Vegetable Compound to help quiet worry, hysterical nerves, relieve monthly pain (cramps, backache, headache) and weak dizzy fainting spells due to functional irregularities.

For over 60 years Pinkham's Compound has helped hundreds of thousands of weak run-down, nervous "ailing" women to get smiling thru "difficult days." Why not give this wonderful "woman's friend" a chance to help YOU? Try it!

## S. Pleasant Grove

Christmas greetings to the Ledger & Times staff and correspondents; also its readers! May all who have not yet been born again give themselves as a Christmas gift to Jesus and receive the peace of salvation.

Our new pastor of this church, Bro. Algie Moore, admonished the unconverted to surrender their lives to Jesus in his sermon here last Sunday.

The Home Ec. girls of Hazel High school had a fine banquet last Wednesday evening at which time their mothers were invited guests. Those from near here attending with their daughters were Mrs. Goble, Scarborough, and daughter, Hilda; Mrs. Duncan, Ellis and daughter, Polly; Mrs. Roby McPherson and daughters, Misses Thelma and Dorothy Dean; Mrs. Cully Nesbitt and daughter, Ella; Mrs. Roy Cooper and daughter, Miss Mary Frances Cooper; Mrs. Charlie Myers and daughter, Mary Alice; and Martha Myers.

Mrs. George Coles and daughter, Dorris; Mrs. Bob Moore and daughter, Olive; Mrs. Frank Clark and daughter, Bronzie Bell; Mrs. Ina Nesbitt and niece, Ella Nell Nesbitt; Mrs. Bill Hill and Mrs. Hugh Whitlow were invited guests to substitute where mothers had two daughters present, and Mrs. C. R. Paschall and daughter, Miss Ethel May who is home economics instructor in the Hazel school.

These mother and daughter banquets are fine for mothers and daughters where all may meet and get better acquainted.

Mr. and Mrs. Gingles Barnes of near Gibbs Store were guests of their parents, Mr. and Mrs. Lucian Gupion, Sunday after church services.

An interesting Christian Service (formerly called Missionary Society) program was held at the home of Mrs. Ermine Hays, last Thursday.

We welcome the return of many boys and girls here to school and their vacation with home folks and others.
